Any questions regarding the graduation status of your student should be directed to your student's counselor at 630-681-3131.

Commencement Ceremony

The Commencement Ceremonies will take place **Friday, May 21 and Saturday, May 22, 2021** on Weber Field.

Proper Dress for Commencement:

Graduates are expected to wear appropriate attire and footwear for the ceremony. Shoes with heels present a fall hazard as they will sink into the infill on the turf field. Please wear appropriate footwear without heels. Students dressed in poor taste will not be permitted to participate in the Commencement Ceremony. No flowers may be worn or carried during the ceremony.

Caps are to be worn parallel to the floor, not on the back of the head. The point of the cap belongs in the middle of the forehead. Tassels are to be worn on the RIGHT side of the cap until after receiving the diploma.

Based on Weber Field's capacity in accordance with social distancing guidelines, each student will receive three (3) tickets for the Commencement Ceremony. Tickets will be given to each graduate on May 18, 2021. There will be no extra tickets available.

We provide special seating for those needing assistance. If you are in need of accessible seating, please come to Glenbard North's Main Office to exchange your original tickets for specific tickets, which will allow you to access this area. This reserved seating will be on the track on the east side of Weber Field. Each person needing an accessible seat will be allowed two family members to sit with him/her.
