A Message From Eric Johansen, Assistant Principal for Operations

We are only a few weeks from celebrating Glenbard North's Class of 2021 on Weber Field! Please click on this [Updated Graduation Information link](#) for important details about the cap, gown, and ticket pick up the three commencement ceremonies, and more. We will continue to share any updates or adjustments as quickly as possible.

A Message From Debra Cartwright, Assistant Principal for Student Services

WHERE EXCELLENCE IS TRADITION

Mr. Eric Johansen, Assistant Principal for Operations • Mr. John Healy, Assistant Principal for Instruction
Ms. Debra Cartwright, Assistant Principal for Student Services • Mr. Matthew Bowser, Assistant Principal for Athletics

A Message from Matthew Bowser, Assistant Principal for Athletics

The IHSA summer athletic season is here and while COVID-19 continues to impact Glenbard North athletics, we are excited to give our athletes any opportunity we can to participate. We continue to do our best to keep you up to date on changes and new information. Please visit the Glenbard North Athletics Athletic Homepage [here](#) for the most up-to-date information.

I would like to thank everyone in advance for their continued adherence to mitigation efforts throughout the summer seasons. As a reminder, all spectators must wear a mask (covering mouth and nose) while attending both indoor and outdoor events. A couple of questions you may have:

I am fully vaccinated. Do I still have to wear a mask? Yes

I am socially distant and outside. Do I still have to wear a mask? Yes

If I am only sitting by my family do I still have to wear a mask? Yes

Summer camp dates and information are now available through the following [link](#). Registration for all Glenbard North camps should be completed through the Carol Stream Park District at csparks.org. Due to Covid 19 protocols and safety procedures, Glenbard North will only be offering summer camps to incoming 9th graders - 12th graders this year. We hope to resume camps for our youth community this upcoming fall.

GOLD CARDS for 2021-2022 School Year

Any student interested in participating in athletics next year will need to obtain Gold Card approval from the Athletic Office. These requests can start being submitted on July 12th, 2021. You must have a school ID number and access to your school email.

The Gold Card process is 100% digital. Gold Card requests are processed every Monday - Friday during normal school hours, with a digital Gold Card approval emailed to your student's school email address. Students can request a card and upload their current sports physical [here](#).

An up-to-date physical no older than 395 days is still required by IHSA and can be uploaded in the request for a gold card as well as emailed to sarah_hengesh@glenbard.org or faxed to the athletic office at 630.653.2804. Physical forms can be found [here](#).

Thanks again for the positive support each of you gives to our programs. As always, please do not hesitate to contact me at (630) 681 3189 or matthew_bowser@glenbard.org

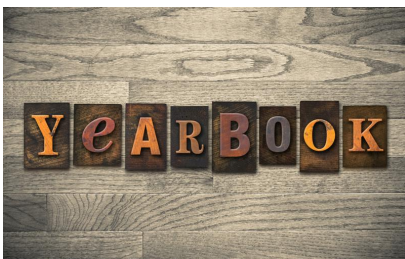

A Message from the Deans Office

2021-2022 Student Parking

To prepare for student parking next school year, the Dean's Office will be implementing a new fully electronic form collection system. More information regarding this process will be sent out via Schoology and announcements will be made this week in the cafeteria.

Current Juniors will sign up Friday May 5/7 - Friday 5/21

Current Sophomores will sign up Friday May 14 - Friday 5/21

This year students who were unable to take a senior portrait through Prestige, may submit one by following the Google Form instructions at [Senior Portrait Submission](#). We would like to make sure that as many seniors as possible are represented in the Glenbard North *Aquilo* for Jostens planned delivery scheduled for mid-August, 2021. If your senior did not take a Prestige Senior Portrait and would like to be included in this year's *Aquilo*, please have him or her complete the link no later than Friday, April 30th. Please note that for publishing deadlines, these dates cannot be extended.

The current price for the 2021 *Aquilo* is \$65.00 from now through Monday, May 10, 2021. Families may purchase a yearbook, Senior Ad, and extra offers if they so choose by going directly to jostens.com and following the prompts. Please note the important Senior Ad details in the attachment. *Please note that there will be no additional yearbooks available after the May 10th, 2021 deadline.*

If you have any questions surrounding this information, please feel free to email Ms. Alvarez directly.

Sincerest thanks for your support of our students and their work during this unusual time,

Yearbook Staff

A Message from the Nurse:

DuPage County Health Department Vaccine Clinic has reopened for routine childhood vaccinations needed for school entry.

Childhood immunizations are available for children who:

- *have no insurance
- *have insurance that does not cover immunizations
- *are Medicaid recipients

To Make an Appointment:

Please call (630) 682-7400
Central Public Health Center
111 North County Farm Road, Wheaton, IL 60187

FRESHMAN: If you have not turned in your dental exam to the health office, please turn one in as soon as possible. Due by May

1, 2021. The exam must be completed by a dentist, on the State of Illinois Dental Exam form, dated on or after 11/15/2019 *All health forms are located on the Glenbard North Health Office page*

JUNIORS: Please turn in proof of your Meningococcal Vaccination by 5/25/21. This is a 12th-grade school entry requirement. Anyone 16 years or older can get vaccinated for meningitis. Please make a doctor's appointment to get vaccinated as soon as possible.

A Message From Dr. Larson, Superintendent

Glenbard District 87 is developing a robust summer program

The effects of the pandemic have had an impact on everyone, none greater than our community's greatest investment: our students. This past year's journey has challenged and stretched each developing and maturing adolescent academically, socially and emotionally. Our talented teachers and staff have been flexible, resourceful and worked tirelessly to address each student's needs. Yet we know that regardless when the pandemic ends, we will need to provide comprehensive and customized support. A key aspect of this work under way is the development of a

robust and authentic free summer school program, funded through the Elementary and Secondary School Emergency Fund (ESSER II) program. Leveraging the summer months will be critical in normalizing each student's academic strength, daily routine, personal confidence, as well important peer and adult relationships.

Glenbard's annual summer school programming, typically attended by 2,400 students, includes credit recovery courses, bridge classes and credit courses to accelerate. Planning for this summer; however, is unique. We anticipate this summer to be our largest summer program ever, with more students enrolling [at this link](#) each day.

The following are key aspects that are being integrated into our planning:

- We avoid phrases such as "learning loss," "student deficits" and "remedial needs" as these tend to label students negatively and erode their confidence. Statements centered on building a positive mindset will lead to a student's personal and academic success.
- We have designed new enrichment courses to help students sharpen skills in argumentative writing and several levels of math.
- Many of our courses are offered with both in-person and remote learning opportunities to maximize participation of all students.
- Paramount, will be designed learning activities that are meaningful, authentic and challenging. Tedious tasks requiring redundant skill practice or rote memorization will not be effective and should be avoided.
- Recognizing and honoring each student's perseverance and resilience as they have navigated through this difficult year will be a necessary foundational beginning point.
- Assessing a student's strengths and abilities, along with growth areas, is important in building ownership of their academic success.
- We will carefully assess what students need socially and emotionally, not just what is academically important. This often requires intentionally reaching out to parents and guardians to listen and understand.
- We will structure effective individual and small group tutoring sessions, which will be interactive and student-centered.

Our teachers' instruction focuses on the six qualities in our Profile of a Graduate that we want each of our graduates to have. These traits include:

- Communicates
- Collaborates
- Thinks Critically
- Embraces Diversity
- Creates and
- Is Self-Empowered

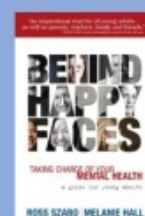

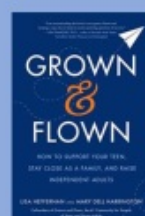

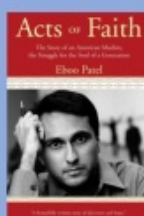

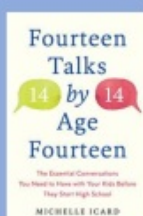

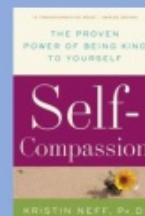

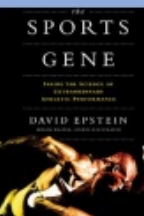

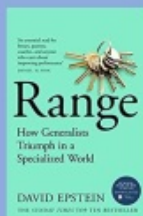

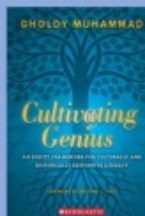

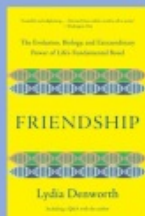

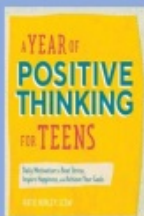

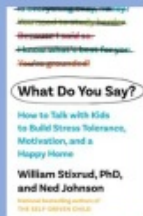

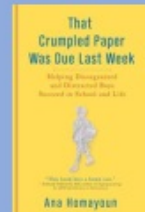

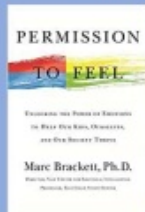

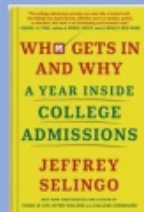

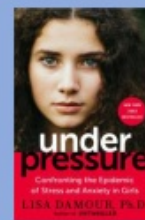

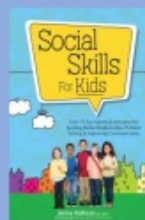

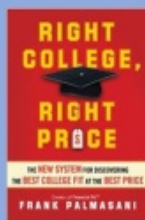

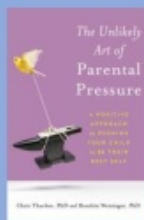

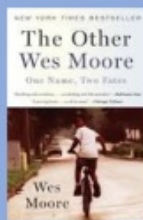

The competency Is Self-Empowered states, "Students will employ a growth mindset that includes self-regulation, motivation, and resiliency". The customized opportunities noted above will enable students to become more self-empowered and supported along the way.

Previous generations have helped shape our great country through periods of hardship and difficulty, including the Great Depression, World War I, World War II, and the Civil Rights Era. I am confident that our amazing students will be our models of resiliency, perseverance and resolve. In addition to learning content, our students have gained critical skills, including communication, collaboration, grit and technology skills. I am confident in their abilities and optimistic about their future.

[G lenbard P arent S eries](#)

Our students have their summer reading and here are summer reading suggestions for adults. Please join us next school year when we welcome these authors (and many others) as part of GPS 2021-2022. For details on our upcoming events visit GlenbardGPS.org
